Critical Difference Grant for Research on Women Student Application - 2024

Open to all Ohio State University students who are pursuing a PhD, MFA, JD, Ed.D. or terminal degree in their fields. Required files should be uploaded in a .jpeg, .docx, or .pdf format. Please have these documents prepared prior to beginning the application process. Plan to submit the application in one session; the system will not save your progress for incomplete applications.

Students who have received a Critical Difference or Director's Grant in the last two years are ineligible to apply.

The application requires a letter from your advisor specifying that you are post-candidacy or in good standing in your program. The advisor's letter should be submitted to the Qualtrics link below-
